Dear Sir/Madam,

A total of over 100 clubs have shown interest in participating in both the Basketball Champions League and the FIBA Europe Cup in the season 2017/2018.

This is beyond expectations and definitely a good sign for club basketball in Europe. However, this leads to additional challenges of selecting the clubs to participate in those competitions.

Therefore, the Board of FIBA Europe at its meeting on Saturday 24th June 2017, approved additional admission criteria to be applied such as arena capacity and a criteria related to the standings in the domestic league.

Based on this decision, we regretfully must inform you that your registration for the FIBA Europe Cup season 2017/2018 must be rejected based on the following non-fulfilled criteria:

Playing hall does not fulfill the minimum capacity of 2000 seats and does not qualify for an exception for the 2017/2018 season.

Should your club have already transferred the deposit, registration fee & single insurance premium to FIBA Europe, please note that this will be reimbursed within the next 15 days.

Thank you very much for your understanding and co-operation.

Best regards,
