To the President of FIBA Europe  
Mr. Turgay Demirel

Dear Mr. President!

I have the honor to confirm that the city of Zaporozhye fully and unquestioningly supports the proposal of the Basketball Federation of Ukraine to hold in our city the group stage of the FIBA Women's EuroBasket 2021 European Basketball Championship and all related official events associated with it.

For the residents of the city of Zaporozhye, this is an opportunity to proudly accept the best European basketball teams and present to all basketball fans the most popular FIBA Women's EuroBasket in the world.

We guarantee that the city of Zaporozhye will provide a high level of organization and holding of such an important event, the protection of FIBA Europe intellectual property rights, additional security measures, law and order, medical support during the Championship matches, etc.

I believe that the holding of the FIBA Women's EuroBasket 2021 group stage will give us the opportunity to present the Ukrainian culture and hospitality to the basketball fans, as well as to make a real contribution to the development of basketball in Ukraine and Europe.

Best regards,

The Mayor
